Congress Council

Registration and Exhibit Setup

Monday, Aug 20

Room	Conference Room 1	Conference Room 2	Conference Room 3	Conference Room 4	Conference Room 6	Conference Room 9	Conference Room 10	Conference Room 11	Conference Room 13	Conference Room 14	Concourse
Time											
8:00											
8:45											
9:00		Session 200: Welcome and Opening Remarks - Local Host and Local Featured Speaker: INZA KONE - Transdisciplinary Research and Community Empowerment for the Conservation of Endangered Primates in Southeastern Cote d'Ivoire, West Africa									
9:15											
9:30											
9:45											
10:00											
10:15											
10:30											
10:45											
11:00	Coffee Break										
11:15	Session 201	Session 202	Session 203	Session 204		Session 205	Session 206	Session 207	Session 208		
11:30	Papers:	Papers:	Symposium:	Papers:		Workshop	Papers:	Roundtable:	Symposium:		
11:45											
12:00	Social Dynamics	Conservation of African Primates	The Anthropocene: Threats, Solutions, Local Challenges, and New Directions	Cognition and Learning in Great Apes (Part 1)		Understanding the Importance of Ethnography in Primate Conservation	New Research Methods	Steps Toward Making Primate Capture Safer	Primate in Rwanda (Part 1)		
12:15											
12:30											
12:45											
13:00											
13:15	Lunch (On your own)										
13:30											
13:45											
14:00											
14:15											
14:30	Session 210	Session 211	Session 212	Session 213		Session 214	Session 215	Session 216	Session 217	Session 218	
14:45	Symposium:	Symposium:	Symposium:	Papers:		Symposium:	Papers:	Symposium:	Symposium:	Papers:	
15:00											
15:15	Surveillance of Pathogenic Organisms and Genetics in Captive and Wild	Understanding Savanna Chimpanzees	Primate Genetics and Genomics	Cognition and Learning in Great Apes (Part 2)		Human-Primate Interaction as a Coupled Natural-and-Human	Behavioral Ecology	Role of Kenyan Primate Centre in Primate Studies	Primate in Rwanda (Part 2)	Evolution, Fossils, and Morphology	
15:30											
15:45											
16:00											
16:15	Coffee Break										
16:30	Nonhuman Primate Populations Using Diagnostic Tools and Their Impact on Primate Health					System: An Ethno-primatological Approach					
16:45											
17:00											
17:15											
17:30											
17:45											
18:00											
18:15											
18:30											
19:00											
20:00		Session 221: Me Too and Primatology Developing a Code of Conduct for IPS									
21:00											
22:00											

Preview Presentations

Registration, Exhibits, and Silent Auction

Tuesday, August 21

Room	Conference Room 1	Conference Room 2	Conference Room 3	Conference Room 4	Conference Room 6	Conference Room 9	Conference Room 10	Conference Room 11	Conference Room 13	Conference Room 14	Concourse		
Time													
8:00													
8:45													
9:00	Session 300: Announcements Featured Speaker: SHIRLEY STRUM - Why Natural History is Important to Science: A Baboon Case Study												
9:15													
9:30													
9:45													
10:00													
10:15	Coffee Break												
10:30	Session 301	Session 302	Session 303	Session 304	Preview Present-ations		Session 305	Session 306	Registration, Exhibits, and Silent Auction				
10:45	Symposium:	Symposium:	Symposium:	Roundtable:			Papers:	Papers:			Session 307		
11:00	Dynamics in Intergroup Relationships in Primates (Part I)	Are Agroecosystems Economically and Ecologically Viable for Primate Conservation?	Kenyan Primate Studies and Their Contribution to Evolutionary Research	How Do We Increase Publications by Range Country Authors?			Social Behavior	Genetics and Monkey Models			Translocation and Re- Introductions		
11:15													
11:30													
11:45													
12:00													
12:15													
12:30													
12:45	Lunch (On your own)												
13:00													
13:15													
13:30													
13:45													
14:00	Session 309 Lifetime Achievement Award: Colin Groves (1942-2017) Varsha Pilbrow - Groves & Science Anthony Rylands - Groves & Conservation												
14:15													
14:30													
14:45													
15:00	Session 310												
15:15	Symposium:	Session 311	Session 312	Session 313	Session 314	Session 315	Session 316	Session 317	Session 318				
15:30	Dynamics in Intergroup Relationships in Primates (Part II)	Symposium:	Papers:	Papers:	Symposium:	Symposium:	Symposium:	Papers:	Symposium:				
15:45		The Groves Effect: Exploring How Changing Taxonomy Impacts Primate Research and Conservation	Parasites & Diseases	Genetics and Population Dynamics	African Sanctuaries as a Nexus for	Surviving in Fragmented Landscapes: Identifying Variables	Gulf of Guinea Primates:	Reproduction, Reproductive Strategies,	Bridging the Veterinary- Sanctuary-Conservation Continuum				
16:00													
16:15													
16:30													
16:45	Coffee Break												
17:00					Primate Research, Welfare, and Conservation	That Influence Primate Population Persistence in Forest Fragments	Research, Education, and Outreach for the Next Generation	and Mate Choice	Session 319 <i>Workshop</i> : Integrating Sanctuaries into Conservation Strategies for Wild Apes				
17:15													
17:30													
17:45													
18:00													
18:15													
18:30													
18:45													
19:00													
19:15													
19:30													
20:30													
21:30									Session 320 Poster Session 2 7:30-9:30				

Thursday, Aug 23

Room	Conference Room 1	Conference Room 2	Conference Room 3	Conference Room 4	Conference Room 6	Conference Room 9	Conference Room 10	Conference Room 11	Conference Room 13	Conference Room 14	Concourse
Time											
8:00											
8:45											
9:00		Session 500: Announcements Featured Speaker: MEWA SINGH - Conservation of Lion-Tailed and Bonnet Macaques: Models for the Management of Forest Dwelling and Commensal Primates									Registration, Exhibits, and Silent Auction
9:15											
9:30											
9:45											
10:00											
10:15	Coffee Break										
10:30	Session 501	Session 502	Session 503	Session 504		Session 505	Session 506	Session 507	Session 508	Session 509	
10:45	Workshop:	Symposium:	Symposium:	Papers:		Papers:	Symposium:	Roundtable:	Workshop:	Symposium:	
11:00											
11:15	How to Write a Successful Proposal for an IPS Grant	Time Will Tell: The Importance of Long-Term Investments to Understand and Effectively Manage Primate Field Sites	The State of the Gibbons: Updates on Small Ape Conservation and Research (Part 1)	Ecology and Diet of Neotropical Primates		Ecology and Diet of African Primates	Evaluating the Effects of Habitat Loss and Fragmentation on Primate Populations	Navigating Loss: Strategies, Support, and Legacy Planning	The Red Colobus Conservation Action Plan: Taking Stock and Planning Strategic Next Actions	Evaluating Developmental Processes in Marmosets	
11:30											
11:45											
12:00											
12:15											
12:30											
12:45	Lunch (On your own)										
13:00											
13:15											
13:30											
13:45											
14:00		Session 510: Lifetime Achievement Award: Clifford Jolly									
14:15											
14:30											
14:45											
15:00											
15:15	Session 511	Session 512	Session 513	Session 514		Session 515	Session 516	Session 517	Session 518	Session 519	
15:30	Papers:	Symposium:	Symposium:	Papers:		Symposium:	Symposium:	Roundtable:	Symposium:	Symposium:	
15:45											
16:00	Conservation of Asian Primates	Advances in Non-Invasive Techniques for Primate Research and Conservation	The State of the Gibbons: Small Ape Conservation and Research (Part 2)	Habitat Use and Ecology		Advances in Chinese Primate Behavioral	Integrative Approaches to Behavioural Evolution:	Primateology in Latin America: Priorities and Challenges	What's New in Primate Cognition Research: Expanding	The Diurnal Primates and Their Conservation in the Lomami	
16:15											
16:30											
16:45					Coffee Break						
17:00											
17:15											
17:30											
17:45											
18:00											
18:15											
18:30											
18:45											
19:00											
19:15											
19:30											
20:30											
21:30											
											Session 520: Launch of the Red Colobus Action Plan (ReCAP)
											Session 521 Poster Session 2 7:30-9:30

Friday, Aug. 24

Room	Conference Room 1	Conference Room 2	Conference Room 3	Conference Room 4	Conference Room 6	Conference Room 9	Conference Room 10	Conference Room 11	Conference Room 13	Conference Room 14	Concourse	
Time												
8:00					Preview Present-ations							Registration, Exhibits, and Silent Auction
8:45												
9:00	Session 600 - Announcements Featured Speaker: LILLY AJAROVA - Conservation of Chimpanzees in Uganda: The Case of Ngamba Island											
9:15												
9:30												
9:45												
10:00												
10:15	Coffee Break											
10:30	Session 601	Session 602	Session 603	Session 604		Session 605	Session 606		Session 607	Session 608		
10:45	Symposium	Symposium:	Papers:	Symposium:		Papers:	Papers:		Papers:	Papers:		
11:00	Primate Tourism: New Solutions	Cross Sectoral and Conflict	Conservation and Anthro-pogenic Influence (Part 1)	Cries in the Dark: Bioacoustics of Nocturnal Strepsirhines			Conservation Education	Conservation of Neotropical Primates		Vocalization and Senses		Captive Care, Welfare, and Personality
11:15												
11:30												
11:45												
12:00												
12:15	Lunch (On your own)											
12:30												
12:45												
13:00												
13:15												
13:30												
13:45												
14:00	Session 609	Session 610	Session 611	Session 612		Session 613		Red Colobus Planning Meeting	Session 614	Session 615	Dismantle Exhibits Silent Auction Ends	
14:15	Roundtable:	Papers:	Papers:	Papers:		Papers:			Roundtable:	Roundtable:		
14:30	Supporting Primate Research and Conservation: A Conversation with Donors	Microbiota	Conservation and Anthro-pogenic Influence (Part 2)	Conservation and Ecology in Madagascar		Tool Use			Reducing the Global Primate Pet Trade	The African Primato-logical Consortium		
14:45												
15:00												
15:15												
15:30												
15:45	Coffee Break											
16:00												
17:00												
18:00												
19:00												
20:00												
21:00												
22:00												

Saturday, Aug 25
